Tobey, please let me know when you've put in the donation that came in via Achisomach, and then I'll do this one. As I don't see it yet on the remittance page.

180 pounds should be around 875 nis. The bank deposit is for 1690nis. I don't see any other donations in the CMS. And I didn't find anything from a quick search in my emails that we may have missed.

In short, did we get any other donations from Achisomach? If not, can you reach out to them to find out what this transfer of 1690nis was for? Or let me know if you prefer I do.

Thanks,

I reached out to Achisomoch about this - and they said it was Huglin.

But I had a communication that his donation was 180 GBP.

So I just reached out to Huglin to confirm whether his donation was 180 or 360 GBP.

If it was just the 180 GBP, I'll reach out to Achisomoch again to find out who else was in the allocation they sent.

Hi,

This was Josh Huglin - he gave 180 to Marks and 180 to Phillips. I just had the 180 for Marks. I entered the 180 for Phillips today. So, it is all accounted for and entered.
