Hi!

I am in the process of reconciling our donations with Mitch. The following donations he has that came in for us. I was unaware of them, and maybe you are too!

Greenwood, Matt	June 2023	8000
Gottlieb, Peter	June 2023	2142
Gottlieb, Peter	June 2023	3570
Gottlieb Foundation	April 2023	2500

Just FYI

Rhea, these are on the JNF doc. They sent a payment for \$48,741 on June 16, and I was trying to figure out where it came from. I thought they sent over too much, turns out we had some donations I was not aware of & they may owe us more than they sent!

I hope to hear back from them and get clarity!
