This is a brand new donation.

Rhea- I will add it to our doc for you to put in the system. Please suppress the automated thank you.

Tova- Rhea will enter the donation in the system. It will kick out all necessary rcpts. It usually sends an automated thank you. It will be suppressed, bc Nachum wants to send out a personalized one to a few people involved in this donation. Please bring it up to him and he will tell you what he wants to do.

Rhea or I will then show you how to put a note in the system about what Nachum had you do...and something up with a system to handle these is part of our goal here!!!

Excitedsd to have you joining the team!
