Dear Larry and Shirley,

Thank you very much for your generous donation, sponsoring Elie Lederman for the The Get Into Geerz Two-Day Ride 2021. Your kindness will enable us to continue to provide and expand our innovative therapeutic mountain biking programs to children and adolescents across Israel.

Geerz programs are incredibly effective in treating kids with ADHD, PTSD, eating disorders, autism, anxiety, anger and many other social, psychological and development issues. Our success has been widely recognized and acclaimed by educational and mental health professionals.

Thank you again for your help in building a better and more hopeful future for these deserving kids. May you and your family be blessed with the ability to continue doing wonderful things on behalf of others for many years to come.

In appreciation,

Nachum Wasosky, CEO and Founder of Geerz  
Chaim Wizman, Director of Development and Geerz Ride Director
