Dear Sholom,

On behalf of the entire Geerz family, we want to express our deepest appreciation for your generous donation. The wonderful partnership between Dror and Geerz has enabled us to be able to reach more girls than ever before. We've been trying to find a way to reach more girls that are in need, and we thank you tremendously for the the financial support which has enabled us to purchase this trailer and thereby change the lives of many more girls for many years to come.

Geerz is embarked on a mission to transform the lives of needy kids throughout Israel, through the magic of mountain biking. Our revolutionary program is based on a proprietary curriculum, which combines essential life lessons and skills, with the same hurdles that our young riders encounter in the trails. The results have been remarkable and Geerz often succeeds even where conventional therapy has failed. Kids who suffer from challenges such as ADHD, PTSD, excessive anger, social dysfunction, electronic addiction, poor self-esteem and other developmental issues are empowered to create a path to confidence and achievement. Your gift ensures that we can continue to bring our program to communities that need our program, but could not otherwise afford it.

In the merit of your kindness, may you and your family be blessed with health, happiness and prosperity and may you be blessed with the ability to continue doing wonderful things on behalf of others for many years to come.

With warmth and gratitude,

Nachum Wasosky
