Dear Mr. & Mrs. Loughney,

On behalf of the entire Geerz family, we want to express our deepest appreciation for your generous donation.

Geerz is embarked on a mission to transform the lives of needy kids throughout Israel, through the magic of mountain biking. Our revolutionary program is based on a proprietary curriculum, which combines essential life lessons and skills, with the same hurdles that our young riders encounter in the trails. The results have been remarkable and Geerz often succeeds even where conventional therapy has failed. Kids who suffer from challenges such as ADHD, PTSD, excessive anger, social dysfunction, electronic addiction, poor self-esteem and other developmental issues are empowered to create a path to confidence and achievement. Your gift ensures that we can continue to bring our program to communities that need our program, but could not otherwise afford it.

In the merit of your kindness, may you and your family be blessed with health, happiness and prosperity, and with the ability to continue doing wonderful things on behalf of others for many years to come.

With warmth and gratitude,

Nachum Wasosky  
Geerz Founder
