Dear Shimon and Amy,

Thank you very much for your generous donation, sponsoring Ophir Chernin for the The Get Into Geerz Two-Day Ride 2026. Your kindness will enable us to continue to provide and expand our innovative therapeutic mountain biking programs to children and those who suffer from trauma across Israel.

Geerz programs are incredibly effective in treating kids with ADHD, PTSD, eating disorders, autism, anxiety, anger and many other social, psychological and development issues. Our success has been widely recognized and acclaimed by educational and mental health professionals and we have recently established a groundbreaking program for those who suffer from devastating PTSD.

Thank you again for your help in building a better and more hopeful future for these deserving riders. May you and your family be blessed with the ability to continue doing wonderful things on behalf of others for many years to come.

In appreciation,

Nachum Wasosky
