Dear Benjamin,

Thank you very much for your generous donation, sponsoring Eric Distenfeld for the The Get Into Geerz Two-Day Ride 2026. Your kindness will enable us to continue to provide and expand our innovative therapeutic mountain biking programs to kids and veteran soldiers across Israel.

Geerz programs are incredibly effective in treating kids with ADHD, PTSD, eating disorders, autism, anxiety, anger and many other social, psychological and development issues. Our success has been widely recognized and acclaimed by educational and mental health professionals. We have recently expanded our programs to include veteran soldiers who returned from the recent war with significant PTSD. The success of this program has been extraordinary and demand for new programs continues to explode.

Thank you again for your help in building a better and more hopeful future for these deserving riders. May you and your family be blessed with the ability to continue doing wonderful things on behalf of others for many years to come.

In appreciation,

Nachum Wasosky
