Dear Lori,

Thank you very much for your generous donation , sponsoring Alex Dembitzer for the The Get Into Geerz Two-Day Ride 2020. Your kindness will enable us to continue to provide and expand our innovative therapeutic mountain biking programs to children and adolescents across Israel.

The effectiveness of the Geerz programs in treating kids with ADHD, PTSD, eating disorders, autism, anxiety, anger and many other social, psychological and development issues is widely recognized and acclaimed by educational and mental health professionals.

Thank you again for your help in building a better and more hopeful future for these deserving kids. May you and your family be blessed with the ability to continue doing wonderful things on behalf of others for many years to come.

In appreciation,

Nachum Wasosky, CEO and Founder of Geerz
