Dear Jewish National Fund,

On behalf of the hundreds of youth we assist, we thank you for your generous donation.

Mountain biking is an untapped, underrated, drug-free method to boost a child's self-esteem, mind and body. Your gift is making a difference in the lives of our riders and helping them realize that they have the power to create a path to confidence and achievement.

In the merit of this donation, may you and your family be blessed on the highest levels with health, happiness and prosperity.

Thank you again!
